

Even our Grandfathers knew what BALLARD'S SNOW LINIMENT will do.

A CONVINCING PROOF

of the worth of a medicine is the cures it can effect. Every one who has used Ballard's Snow Liniment knows that it will cure RHEUMATISM, CUTS, SPRAINS, STIFF JOINTS, BURNS, NEURALGIA, CONTRACTED MUSCLES AND ALL PAINS.

USED SNOW LINIMENT 10 YEARS.

V. J. Smith, Richmond, Mo., writes: "This is to certify that I have used your Snow Liniment for ten years for rheumatism, neuralgia, lame back, etc., and in every case it has rendered immediate relief and satisfaction."

IDAHO STATE NEWS

Arrangements are under way for another bank for Coeur d'Alene.

The new \$3,000 brick school house at Van Wyck is nearly completed.

Eight Japs have started to school at Sugar City, being in the primary department.

The new Agricultural building at the State university will be ready for occupancy some time in January.

A large force of men is employed by the Short Line railroad in the construction of the new depot at Weiser.

Montpelier is enjoying a period of brick and stone construction. Many new and substantial buildings are going up.

Frank McKean, a civil war pensioner aged 73 years, was burned to death in a fire which destroyed his cabin in Pocatello.

For the first time in the history of Blaine county there are no criminal cases for trial at the regular term of the district court.

Clay taken from the hills northwest of Buhl near the Snake river, has been tested and found to be exceptionally fine pottery material.

A squash was raised near Troy this season that weighed 72 pounds, the squash now being on exhibition in the office of the Troy Weekly News.

The Oxbow company expects to have a crew of men at work all winter on their dam, a large amount of machinery having been ordered last week.

It is shown by the report of the secretary of war that he proposes to proceed with the enlargement of the barracks at Boise with all possible expedition.

Congressman French has recommended to the postal department the appointment of W. H. Greenough as postmaster at Twin Falls, vice W. W. Dunn resigned.

Receipts at the Lewiston land office during the month of November reached a total of \$62,591.51. This is approximately \$14,000 more than the receipts of the highest previous month.

With the completion of the new assay and metallurgical laboratories at the State university, the citizens of Idaho can boast of possessing a school of mines second to none in the United States.

Fremont and Bingham counties are enjoying very prosperous conditions, the sugar beet crop having been very large and the factories are very likely to keep running into January and perhaps February.

Around Maryvale and Austin the grain crops this year have been very good. On dry land farms the harvest has been on an average of 40 bushels of wheat and from 60 to 70 bushels of oats to the acre.

At a school election held at Coeur d'Alene for the heading of the school district in the sum of \$20,000 for building and equipping an eight-room school on Washington Heights, there were 261 votes cast; 185 for and 16 against.

Fremont county is one of the counties of Idaho which is not affected by the shortage of coal. In Teton basin is a large coal bed. It was discovered at a depth of 600 feet while boring a well for oil. The vein is reported to be twelve feet thick.

The survey of the Coeur d'Alene Indian reservation has been completed, and when the surveys are approved the allotments will be made and the balance of the land classified. It is probable it will be opened to entry during the summer of 1908.

Members of the coming state legislature, non-resident state officials and all attaches of the coming session will be given the privilege of enjoying all the comforts and conveniences afforded by the Boise Commercial club rooms during the session.

One of the sugar companies, it is said, recently offered \$30,000 for 800 acres of land about Dayton, seven miles east of Preston. Dayton now has nothing but a sidetrack. It is the understanding the company is figuring on locating a factory there.

The snowfall at DeLamar this year has been unusual, not only in amount but it has packed so closely that it has carried the grass with it to the ground. Though the snow is not over 10 inches deep the stock can get but little food, so they must be fed.

Ben Harris, the Brunau stage driver, was shot and seriously wounded at Mountain Home by Sheriff Henry Ross. Harris and a number of other men were rustling coal belonging to the railroad when the sheriff appeared, the men ran and Ross fired at them.

According to the monthly meteorological summary, issued by Section director Edward L. Wells, of the Boise weather bureau, there were but six clear days in November. These were November 1, 11, 15, 19, 25 and 29. All the rest were cloudy or partly cloudy.

Professor French reports that on the new experiment station at Coeur d'Alene, 80 acres have been cleared and that about 25 acres of it are ready for water. One of their experiments will consist in trying the effect of winter irrigation on some of this land.

NEWS SUMMARY

Compromise on the ship subsidy bill seems to be in sight.

The president's special message on Panama will be laid before congress December 17.

The question of spelling undoubtedly will receive attention at the hands of congress this week.

The yellow fever situation in Cuba is satisfactory. There is one case in Havana and two in the interior.

During the past week eight terrorists have been executed at Warsaw and eight others condemned to death.

A military raid on the Rakoff iron works at Czenstochova, Russia, resulted in breaking up an extensive revolutionary organization.

In an explosion of gas in the Baltimore mine of the Parrish Coal company, at Wilkesbarre, Pa., two men were killed and five others injured.

Orders have been placed with the Nickelplated shipbuilding yards for the construction of four modern torpedo cruisers for the Black Sea fleet of Russia.

Charles G. Washburn has been nominated by the Republicans to succeed the late Representative Rockwood Hoar, of Massachusetts, for the unexpired term.

With the coming of the new state of Oklahoma, it will require the cooperation of thirty-one legislatures to secure from congress a call for a constitutional convention.

J. F. Culpper, former chief of police and widely known throughout the southwest, was shot and killed in a pistol duel with a negro named Brock at Pine Bluff, Arkansas.

The Imperial budget, presented last week, adds \$1,000 to the salary of the German ambassador at Washington, owing to the increased cost of living at the American capital.

It is a mistake to use a violent cathartic to open the bowel. A gentle movement will accomplish the same results without causing distress or serious consequences later. DeWitt's Little Early Bitters are recommended. Sold by People's Drug Institution.

A report made to congress by the governor of New Mexico shows that 26,195 voters in that territory favored joint statehood in the recent election, while 14,435 voted against it.

A letter received at Phoenix, Arizona, reports the slaying to death of an Apache squaw by tribesmen, one mile from Fort Apache. The natives charged her with being a witch.

It is reported that a slide lead has been opened in the old Comstock mine at Virginia City, Nevada, which bids fair to be richer than anything ever yet taken from that famous property.

Lulu Bridges, an 18-year-old girl, was arrested at Los Angeles and lodged in jail charged with having accepted a bribe at Paris, Mo., for leaving the town to escape being called as a court witness.

The Chicago Board of trade has decided by a vote of 506 to 277 to reduce grain commissions from 3/4c to 1/2c a bushel on orders filled for exporters and from 3/4c to 1/2c for members.

The trial of Harry K. Thaw for the murder of Stanford White, the architect, will not begin until March or April of next year, unless District Attorney Jerome consents to rearrange his court calendar.

It has been determined by the provisional governor of Cuba that Christmas gifts sent from the United States to officers, soldiers and American employees serving in Cuba shall be adopted free of duty.

The Agricultural chamber of West Virginia has adopted a resolution empowering its executive committee to prepare to import Chinese as farm laborers in order to relieve the present scarcity of such labor.

If "Taken at the Sneeze Stage" Preventives—a toothsome candy, Tablet—will surely and quickly check an approaching cold or Grippe, when you first catch cold—or feel it coming on—take Dr. Shoop's Preventives, and the prompt effect will certainly surmise and please you. Preventives, surely supply the proverbial "ounce of prevention." Sold in 5 cent and 25 cent boxes by T. J. Wadsworth.
